Plan to return home safely when travelling on the land

Start Date: February 4, 2016
End Date: February 29, 2016
Nunavut-wide **45 sec**

The Government of Nunavut would like to remind all Nunavummiut to take these safety precautions before travelling on the land:

- Always travel with an emergency communications device Sign out a free SPOT device at your hamlet office;
- Even experienced hunters need help sometimes – always travel with a hunting partner;
- Tell family and friends where you are going and when you will return;
- Prepare for 72 hours on the land. Bring extra fuel, food, clothing and equipment, even on day trips.

If you get lost, stranded or have an emergency while on the land, remember to:

- Stay with your equipment and your travel companion;
- Press "Help" on your SPOT device if you are stranded or lost; or
- Press "911" on your SPOT device in the event of a serious emergency.

Being prepared can save your life. Plan to return home safely when travelling on the land.
