Canadian Radio-Television and Telecommunications consultations

Start Date: December 18, 2023
End Date: December 22, 2023
Nunavut-wide **60 sec**

Access to reliable, affordable, and high-quality telecom services is crucial for the social, economic, and educational development of Nunavut's communities. The Government of Nunavut (GN) recognizes the importance of the Canadian Radio-Television and Telecommunications Commission's (CRTC) ongoing work regarding telecommunications in the region.

The CRTC is conducting a Nunavut-wide community consultation to determine the current state of telecommunications in Nunavut, and is seeking feedback on:

- How can we help to improve services?
- How can we help to reduce prices?
- Should CRTC create a subsidy to make internet services more affordable?
- How can we help to foster competition?
- How can we help to strengthen dialogue between communities and providers?

The GN encourages all Nunavummiut, organizations, and businesses across Nunavut to visit the CRTC's website to share your experiences and thoughts on how to improve telecommunications services in Nunavut.

The notice of consultation is available in all of Nunavut's official languages, and you can provide your input through the CRTC's website , by fax 819-994-0218 or mail to:

Consultation 2022-147 Telecommunication in the Far North
Secretary General, CRTC
Ottawa, Ontario, Canada K1A 0N2

The deadline for submissions to the consultations has been extended to December 22, 2023, at 8 p.m. EST.
