## Premier congratulates new ITK president

June 7, 2012  
IQALUIT, Nunavut

---

Premier Eva Aariak today released the following statement:

"I would like to offer my congratulations to Terry Audla for winning the election for President of Inuit Tapiriit Kanatami (ITK).

With more than 17 years with the Qikiqtani Inuit Association and more than a year as CEO of Nunavut Tunngavik Inc., Terry has proven himself as an experienced, thoughtful and hard-working leader.

ITK represents Inuit nationally and internationally and I am pleased that a fellow Nunavummiuq will be working to advance the interests of Inuit across Canada and throughout the world.

I wish Terry the best of luck in his new position and look forward to working with him on Inuit issues."
