Iqaluit Public Health and Family Practice is moving to the Baron Building #1091 from Qikiqtani General Hospital as of Monday, December 10, 2012.

Public Health and Family Practice will be closed for all services, except for clients on regularly scheduled medication programs, on Thursday and Friday, December 6 and 7 to prepare for the move.

All services will resume in Building 1091 on December 10, including Nurse Practitioner appointments, Walk-In Sexual Health clinics, TB programs, Well Child appointments and drop in, and Flu shots. Building #1091 is the last building before the creek on the right side of the road that leads to the Iqaluit International Airport. The Qikiqtani General Hospital clinic will remain at Qikiqtani General Hospital.
