Add Vaccinations to Your Travel Checklist

Start Date: March 20, 2012

End Date: April 30, 2012

Nunavut

15 sec

The Department of Health and Social Services is advising Nunavummiut, who are travelling out of the territory, to make sure their immunizations are up to date.

There have been cases of measles in some parts of Canada recently. Some of these cases are linked to international travel. Please be sure you have had your measles vaccination before you travel.

You can receive your free vaccinations at your local health centre or at Public Health.
