Is your child starting kindergarten in Arviat in August 2013? The Arviat Health Centre is having a pre-kindergarten screening week from May 13 to 17, 2013.

If your child was born in 2008 and is attending kindergarten this fall, please call the health centre at 867-857-3100 to book an appointment.

An appointment for school screening includes: dental, hearing, vision and developmental screening along with immunizations.

Pre-kindergarten health assessment is not the same as registering a student to attend school. Please call the school directly for student registration dates.
