

## **Public Service Announcement**

## **Pre-Kindergarten Assessment Dates**

**Start Date:** May 8, 2013 **End Date:** May 17, 2013

Rankin Inlet, NU 30 sec

Is your child starting kindergarten in Rankin Inlet in August 2013? Rankin Inlet Public Health is having a pre-kindergarten screening week from May 13 to 17, 2013.

If your child was born in 2008 and is attending kindergarten this fall, please call Public Health at 645-8070 to book an appointment.

A Public Health appointment for school screening includes: dental, hearing, vision and developmental screening along with immunizations.

Pre-kindergarten health assessment is not the same as registering a student to attend school. Please call the school directly for student registration dates.
