National Nursing Week is May 11 to 17. This year's theme is "*Nurses: With you every step of the way*".

Nurses in Nunavut and around the world are recognized annually for their commitment to health care. Nunavut nurses are on the front lines offering professional medical care to Nunavummiut.

Nursing in the rural and remote communities of Nunavut is often challenging work. They work long hours and make many sacrifices to better serve Nunavummiut.

Nunavut's nurses are with you every step of the way! Please take a moment during National Nursing Week to thank a nurse!
