Influenza vaccine clinic at Iqaluit Public Health on Saturday

Start Date: November 23, 2015

End Date: November 28, 2015

Iqaluit

30 sec

Iqaluit Public Health, at building 1091 near the airport, is hosting a family influenza vaccine clinic on Saturday, November 28 from 11 a.m. to 2 p.m.

The Department of Health encourages everyone to get their flu vaccine. It's never too late to get your free flu shot. FluMist, a nasal spray influenza vaccine, is available for children aged two to 17. Bring your family and help protect yourself, your family and your community.

Refreshments will be provided. Transportation assistance is available. For more information, please contact Iqaluit Public Health at 975-4800.
