Nunavut business survey

Start Date: July 21, 2016 **End Date:** August 31, 2016

Nunavut 40 sec

Nunavut businesses, we want to hear from you!

The Government of Nunavut (GN) wants your thoughts on jobs, training, skills and other business topics.

In July and August, the GN is doing a survey with business owners and representatives.

All information collected in the survey will be confidential and used only for statistical and information purposes.

Your answers will help the GN better understand the business community and improve its programs and services.
