## Changes to Extended Health Benefits

**Start Date: June 29, 2016**

**End Date: July 31, 2016**

**Nunavut**

**45 sec**

Starting on July 1, 2016, the following changes will be made to the Extended Health Benefits (EHB):

- Increased coverage for medical travel accommodations.
- Increased coverage for medical travel meals.

The Department of Health offers Extended Health Benefits to eligible Nunavummiut who need additional health care services not covered by the Nunavut Health Care Plan, by employer-provided health benefit plans or by third-party insurance programs like Health Canada's Non-Insured Health Benefits (NIHB) for Inuit and First Nations.

To find out if you qualify for EHB or for more information on specified conditions, medical travel support and seniors' coverage, visit: [www.gov.nu.ca/health/information/health-insurance-extended-health-benefits](http://www.gov.nu.ca/health/information/health-insurance-extended-health-benefits).
