On Saturday April 22, join Nunavummiut in celebrating Earth Day. Every year, people around the world participate in Earth Day activities that support environmental protection and climate change awareness.

Small actions add up to make a big difference. Your actions can help save energy, save money and reduce pollution. Start this Earth Day by joining the “Energy Wise” Facebook page, and taking action to save energy.

Three easy ways to save energy:

- Turn off the lights when leaving a room
- Turn your heat down by two degrees and wear long sleeves
- Wash your clothes in cold water
