## Product recall: Remington rifles

**Start Date:** February 24, 2017

**End Date:** March 1, 2017

**Nunavut-wide**

**30 sec**

Remington Arms Company is voluntarily recalling Remington Model 700 and Model Seven rifles that were manufactured between May 1, 2006 and April 9, 2014, and that have an X-Mark Pro (XMP) trigger.

If you have one of these rifles, you are advised to stop using it immediately. A fault with the trigger mechanism could cause an unintended discharge that could lead to injury or death.

If you are unsure whether or not your rifle is included in this recall, please contact either your local wildlife office or the Territorial Firearms Office at 867-975-4487 or 1-800-731-4000 ext. 8002.

For more information about this recall and how to get your trigger mechanism replaced free of charge, please contact the Remington Arms Company at 1-800-243-9700 or through their website at [xmprecall.remington.com](http://xmprecall.remington.com).
