The Department of Environment is challenging Nunavummiut to participate in the Nunavut Environment Week 7-Day Challenge during Environment Week, June 5-11, 2017.

Challenges will be posted daily throughout the week on the Government of Nunavut (GN) social media pages, and on the Department of Environment website:

<http://gov.nu.ca/environment/>.

Nunavummiut are encouraged to take pictures of themselves completing the daily challenges, and to post them to the GN Facebook or Twitter page using the hashtag #NEW7 for a chance to win prizes. Entries can also be emailed to environment@gov.nu.ca.

Nunavut Environment Week, held at the same time as Canadian Environment Week, aims to encourage people to take action to help preserve, protect and restore our environment. It coincides with World Environment Day on June 5, and World Oceans Day and Clean Air Day on June 8. This year's theme for World Environment Day is "Connecting People to Nature". This Environment Week, get outside and connect with nature!
