Is your child starting kindergarten in Rankin Inlet this August? To get ready for the school year, the Wellness Centre Team in Rankin Inlet will be conducting health assessments and immunizations for all children born in 2013. Please drop in or call Rankin Inlet Public Health at 867-645-8070.

Appointments are available from Monday to Friday, starting April 16 until April 20, 2018. A school screening appointment includes dental, vision and developmental screening, along with immunizations and tuberculosis testing.

The pre-kindergarten health assessment does not automatically register a student to attend school. Please call your school directly for student registration dates.
