## Diesel spill on airport creek trail

Start Date: March 2, 2018 End Date: March 3, 2018

Iqaluit, NU 30 sec

The Department of Environment advises Iqaluit residents there has been a diesel spill on the airport creek skidoo trail from the Iqaluit Gas Bar to RL. Hanson Construction Ltd.

Equipment is currently on site to clean up the spill.

The Department would like to advise residents to go around the site if possible.
