

As part of the Government of Nunavut's (GN) effort to protect Nunavummiut against the risk of COVID-19, GN Departments are implementing the following:

Department of Health Services

COVID Hotline and Self-Assessment Tool

Anyone who has reason to believe they have been exposed to COVID-19 is advised to call the COVID hotline at 1-888-975-8601 between 10 a.m. and 6 p.m., or notify their community health centre right away, and immediately isolate at home for 14 days.

Anyone with access to internet can also take the online self-assessment tool nu.thrive.health

New Email for Travellers

A new email address has been established for Nunavummiut planning travel outside of the territory. All travellers must submit an Isolation Reservation Request Form to NUisolationreservations@nunavutcare.ca as soon as travel plans are known to ensure that the travel team can identify room availability and reserve stays in a designated isolation facility. More information can be found on the Department of Health website.

Isolation sites concern inbox

A new email address has been established to better address concerns and comments from clients completing 14-day isolation in the Isolation Sites in southern Canada. The new email will take pressure off the COVID toll free line, patient relations and the CPHOtravel requests inbox. The new email address is isolationrelations@gov.nu.ca.
