

Nunavummiut, let's make informed decisions about the vaccine and look at facts, not fears. Please listen carefully and please make an appointment to be vaccinated when it's your turn.

## **Chief Public Health Officer Update:**

I would like to clarify the upcoming delivery schedule of the Moderna vaccine as new information has been confirmed. Deliveries of vaccine doses are expected today in Iqaluit and tomorrow in Rankin Inlet of 3000 doses each. Another 6000 doses are expected the week of February 1. That is in addition to the 6000 doses received in December. That means that by early February, Nunavut will have received 18,000 of the 37,500 doses of vaccine allocated to Nunavut.

We can now confirm additional clinic dates for Rankin Inlet, Whale Cove, Chesterfield Inlet and Baker Lake.

Rankin Inlet's clinic will be held from January 18 to January 21 at the community hall.

Whale Cove will hold its clinic on January 19 and 20 at Inuglak School.

Chesterfield Inlet will hold its clinics on January 22 and January 23 at Victor Sammurtok School.

Baker Lake will be holding priority population clinics from January 25 to January 27 at Jonah Amitnaaq School. Priority populations include elders aged 65 and over and healthcare staff. Depending on available vaccine, the eligible populations for clinics in Baker Lake might be expanded.

Most clinics will be held from 9 a.m. to 8p.m. and appointments can be made by contacting your health centre. This information is also found on the GN's website at [www.gov.nu.ca](http://www.gov.nu.ca).

We have decided to focus the next round of clinics on the Kivalliq Region for a number of reasons. The Kivalliq region is more reliant on travel south for medical travel than the other two regions. This means that the risks of exposure to COVID-19 for Kivallirmiut or introducing COVID-19 into the region are higher. The Kivalliq Region has also had active COVID-19 outbreaks.

Since this is our last scheduled press conference for the time being, future clinic dates will be announced by Public Service Announcement, through social media, local radio and on the government's website.

In closing, I would like to take a moment to let the communities of Gjoa Haven and Igloodik know that their second dose clinics will be February 1 and 2 in Igloodik and

February 8 and 9 in Gjoa Haven. Again, I want to reassure everyone that the vaccine is safe and I encourage Igloodik and Gjoa Haven residents to take advantage of the second clinics to get vaccinated.

Thank you.

As part of the Government of Nunavut's (GN) effort to protect Nunavummiut against the risk of COVID-19, GN Departments are implementing the following:

## **Department of Health Services**

---

For all the latest information and resources about COVID-19 in Nunavut, go to:  
<https://www.gov.nu.ca/health/information/covid-19-novel-coronavirus>

For the latest information on current public health restrictions, go to:  
<https://www.gov.nu.ca/health/information/nunavuts-path>

## **Upcoming Community Vaccine Clinics**

Elders' Facility clinics in communities will be focused clinics with health staff going on site to administer the vaccine. Health staff will reach out to the Elder's facilities directly for the vaccination times and dates.

### Rankin Inlet

- Location: Singiitug Complex Community Hall.
- Date (1st Dose): January 18-21.
- Date (2nd Dose): February 15-18.
- Time: 9 a.m. – 8:30 p.m.
- Clinic Type: by appointment.
- Call 867-645-8070.

### Iqaluit Public Health Clinic 1

- Location: Iqaluit Public Health, building 1091.
- **Priority populations 65+ age group and shelter residents.**
- Date (1st Dose): January 18-22.
- Date (2nd dose): Pending.
- Time: 1 p.m. – 7 p.m.
- Clinic type: by appointment.
- Call 867-975-4810.

### Iqaluit Hospital Clinic 2

- Location: QGH clinic side.
- **Priority populations 65+ age group and shelter residents.**
- Date (1st Dose): January 23.
- Date (2nd dose): Pending.
- Time: 10 a.m. – 4 p.m.
- Clinic type: by appointment.
- Call 867-975-4810.

### Whale Cove

- Location: Inuglak School.
- Date (1st Dose): January 19-20.
- Date (2nd Dose): February 15-16.
- Time: 9 a.m. - 8 p.m.
- Clinic Type: by appointment.
- Call 867-896-9916.

### Chesterfield Inlet

- Location: Victor Sammurtok School.
- Date (1st Dose): January 22-23.
- Date (2nd Dose): February 19-20.
- Time: 9 a.m. - 8 p.m.
- Clinic Type: by appointment.
- Call 867-898-9968.

### Baker Lake

- Location: Jonah Amitnaaq School.
- **Priority populations 65+ age group.**
- Date (1st Dose): January 25-28.
- Time: 9 a.m. - 8 p.m.
- Clinic Type: by appointment.
- Call 867-793-2812.

### Iglolik

- Location: Iglulik High School.
- Date (2nd Dose): February 1-2.
- Time: 9 a.m. - 9 p.m.
- Clinic Type: walk-in clinic.

### Iqaluit Elder's Home

- Location: Elders Home.
- Date (2nd Dose): February 3.

### Gjoa Haven

- Location: Qiqirtaq High School
- Date (2nd Dose): February 8-9.
- Time: 8:30 a.m. - 9 p.m.
- Clinic Type: by appointment.
- Call 867-360-7441.

## Department of Education Services

---

### K-12 Schools

To date, the Department of Education has received 2,300 of the 3,000 internet-ready digital devices that were purchased with funding from the Government of Canada to support remote learning.

The department's multi-phased plan for delivering digital devices to schools has begun.

In Phase 1, Grades 11 and 12 students and teachers are being prioritized.

- Phase 1 delivery began in December 2020 and is continuing throughout January. A total of 1433 devices were delivered:
  - 246 devices to Kitikmeot.
  - 618 devices to Kivalliq.
  - 569 devices to Qikiqtani (except for Iqaluit, which will be done separately).

[INUK](#) | [ENG](#) | [IKW](#) | [FRE](#)

[INUK](#) | [ENG](#) | [IKW](#) | [FRE](#)

- In Phase 2, Grade 10 students and teachers will be prioritized.
  - Phase 2 delivery will begin in early February and the department plans to deliver approximately 926 devices across the territory.

Nunavummiut's health is our shared responsibility! Remember: wash your hands and surfaces, practice social distancing, listen to the advice of health officials, and stay home if you're sick.
