In the spirit of Avatittinnik Kamatsiarniq (Environmental Stewardship), the Government of Nunavut (GN) is encouraging Nunavummiut to get involved in annual community cleanups happening across Nunavut this summer.

The Department of Environment will be running competitions for everyone who participates. Contest themes will be announced each week on the GN's Facebook page. Help keep your community clean all summer long for a chance to win great prizes!

Please contact your local hamlet office for more information about the cleanups happening in your community. In light of COVID-19, hamlets are working with the Chief Public Health Officer to ensure all health and safety recommendations are followed.

For more information, please contact Brenda Anderson at <u>banderson1@gov.nu.ca</u> or 867-975-7700.
