

Public Service Announcement

Taloyoak health services moved to old health centre

Start Date: August 31, 2022

End Date: September 19, 2022

Taloyoak, Nunavut

15 sec

As work to clean up the fuel spill at the Taloyoak Health Centre continues, the Department of Health has moved all health services to the old health centre until further notice.

Until the cleanup is complete and services can resume at the new health centre, health services in Taloyoak will continue to operate at emergency services only. Residents in need of services are asked to phone the nurse on call at 867-561-5111. Residents are asked not to go to the health centre directly.

Once services can resume at the new health centre, the Department of Health will notify the public.

Anyone with COVID-19 related questions who does not require treatment or a vaccine appointment, can call the COVID-19 hotline at 1-888-975-8601.
