

Public Health Advisory

Food recalls due to possible Cronobacter sakazakii and Salmonella

June 22, 2022 Nunavut-wide

The Department of Health is warning about food recalls issued by the Canadian Food Inspection Agency (CFIA) due to possible Cronobacter sakazakii and Salmonella.

Shoppers Drug Mart is recalling certain commercially sold **Abbott brand powdered infant formula products** due to possible Cronobacter sakazakii and Salmonella. Consumers should not consume the recalled products described below.

This recalled product should be thrown out or returned to the location where it was purchased.

Information on this product recall can be found on the CFIA website here.

For additional information, contact the Canadian Food Inspection Agency at 1-800-442-2342 or visit www.inspection.gc.ca. Sign up for food recalls at https://recalls-rappels.canada.ca/en/subscribe. A comprehensive list of recalled products can also be found below.
