The Department of Environment is challenging Nunavummiut to participate in Waste Reduction Week from October 17 to 23, 2022.

In keeping with Avatittinnik Kamatsiarniq – care and respect for the land, animals, and the environment – Waste Reduction Week 2022 encourages us all to practice the five Rs: Reduce, Reuse, Repair, Recycle and Repurpose.

Get creative with food leftovers, bring your own bag when you shop, and support community thrift stores and sell/swap pages. Before discarding used goods, consider refurbishing or repurposing them.

Visit the Department of Environment's website at www.gov.nu.ca/environment to learn more about how you can make a difference in your community and share your ideas on social media using the hashtag #WasteReductionWeek.
