The Government of Nunavut (GN) invites Nunavut Inuit and Nunavummiut students to apply for exciting summer job opportunities. Come join the GN to learn new skills and gain valuable work experience!

The Summer Student Employment Equity Program (SSEEP) is offered every year to secondary and post-secondary students to encourage continuous learning and foster skill and career development. Employment through the SSEEP runs from April 1 to September 30.

Applications can be submitted between April 1 and July 14. Those who apply sooner will have a better chance at securing employment, so students are encouraged to apply promptly.

For eligibility requirements, application assistance, or to apply, visit <https://www.gov.nu.ca/information/summer-student-jobs>, or contact the appropriate regional office:
