Community and Government Services announces After School Employment Program (ASEP) Pilot

Start Date: November 2, 2023 End Date: November 30, 2023

Igaluit, Nunavut 30 sec

The Department of Community and Government Services has launched a pilot program aimed at supporting pre-employment goals for students who are interested in gaining job skills and earning money to help further their education. The 2023-2024 ASEP Pilot is the first step to help guide a phased, system-wide rollout.

To be eligible, students must be in high school or college, or a recent graduate, and have completed at least Grade 10.

Successful applicants will be hired on a relief staffing action basis, and their resumes will be screened and matched with the job best suited to their interests, knowledge, skills, and qualifications. In support of Article 23 of the Nunavut Agreement, priority will be given to Nunavut Inuit. The program will be Monday to Friday with flexibility for weekends. The hours are also flexible depending on a student's schedule and the availability of mentors within the department.

For more information, please email CGSHR@gov.nu.ca or call 867-975-5436.
