Residents of Cambridge Bay are advised that the Government Liaison Officer (GLO) will offer motor vehicle services at the NCC Building starting February 5.

A trainer from the Department of Economic Development and Transportation (EDT) is scheduled to be in the community from February 5 to 9.

To help the GLO learn through hands-on experience, residents needing motor vehicle services are encouraged to visit while the trainer is in the community. Services will be available during regular working hours.

For more information, please visit the NCC Building, or contact Miali Dimitruk at mdimitruk@gov.nu.ca or 867-983-4231.

More information and relevant forms can be found on the <u>Government of Nunavut's</u> <u>website</u>.
