

Start Date: June 18, 2024
End Date: July 15, 2024
Nunavut-wide

Do you need financial support to reach your post-secondary education goals?

New students and returning students must apply for FANS funding each new academic year. If you are planning to attend a college or university that starts in the fall of 2024, the deadline to apply for FANS is July 15, 2024.

You don't have to wait until you are accepted to college or university to apply for FANS funding. You can submit your application now and send your program acceptance letter to the FANS office when you receive it. Your application can begin to be processed and a final decision can only be made after all the required supporting documentation (including your acceptance letter) is received by the FANS office.

Late applications will be accepted until August 15, 2024; however, your funding application may not be processed before you start school. Apply by the July 15 deadline to better ensure that your funding application is processed before you start school.

For more information or to receive an application form, visit the [FANS Webpage](#) or email the FANS office at:

- FANS@gov.nu.ca (Inuit enrolled under the Nunavut Agreement).
- FANSLoans@gov.nu.ca (Nunavut students not enrolled under the Nunavut Agreement).
