## Power restored, Kimmirut GN offices remain closed

**Start Date: November 3, 2024**

**End Date: November 16, 2024**

## Kimmirut, Nunavut

**45 sec**

Qulliq Energy Corporation (QEC) crews successfully restored power to Kimmirut today, November 3, 2024.

To reduce load on the QEC system, Government of Nunavut (GN) buildings in the hamlet continue to run on back-up power.

As a result, GN offices and Qaqqalik School will be closed Monday, November 4.

As it is no longer required, the warming centre established in the Qaqqalik School was closed following Sunday evening's dinner service.

Given the need to bring all assets back into operation, there will still be a number of crews brought into the community to assist.

The Government of Nunavut appreciates the patience and cooperation of residents of Kimmirut throughout the power outage, and in the coming days as full services are restored.
