The Department of Health is currently reviewing the Medical Travel Policy and Program. As part of this review, the department is collecting information from Nunavummiut by providing an online survey available to the public.

The Department of Health encourages anyone who has experience with the Medical Travel Program to complete the online survey. By completing the survey, you can be entered to win one of ten $100 gift cards for your local grocery store.

Your responses to the survey can help inform changes to the Medical Travel Policy and Program for Nunavut.

You can find the survey on the Medical Travel page of the Government of Nunavut website.

Be sure to follow the Government of Nunavut Facebook page for updates and links.
