The Department of Family Services is informing residents of Cambridge Bay that the Income Assistance Office is currently experiencing a reduction in service delivery due to staff shortages. As a result, the office will be closed for in-person services until further notice. This may affect families and children needing access to services.

Please note that Income Assistance payments have been completed daily from September 3, 2024, by direct deposit or direct to store through our Continuous Assessment process. Assessments will be completed on your scheduled September appointment date.

To reach an Income Assistance officer, please call the Iqaluit Headquarters office at 867-975-5275. Assistance will be provided remotely from Iqaluit through an on-call service.
