Kindergarten registration for the upcoming school year

Start Date: April 14, 2025

End Date: May 16, 2025

Nunavut-wide

60 sec

The start of your child's education is a significant milestone! To attend school in Nunavut, a child must be at least five years old by December 31 of the school year. If your child turns five by this date, they are eligible for kindergarten and can be registered for the upcoming school year.

The enrollment process is simple, and as a parent, you can follow these steps to secure your child's place in the classroom:

1. **Contact the school in your community:** You can register your child in person or check online for more information, requirements, and to download the registration form.
2. **Complete the Registration Form:** This form is easy to fill out. You will need to provide basic details and attach a copy of your child's birth certificate.
3. **Pre-registration:** Be sure to pre-register your child before May 16 to help ensure a smooth transition into kindergarten.
4. **Stay Informed:** If you have any questions or need support during the registration process, please contact the school in your community; they are there to help guide you every step of the way.
