Do you need financial support to reach your post-secondary education goals?

Financial Assistance for Nunavut Students (FANS) provides financial support to eligible Nunavummiut attending designated post-secondary institutions and programs.

Both new and returning students must apply for FANS funding each academic year. If you plan to attend a college or university starting in the fall of 2025, the deadline to apply for FANS is July 15, 2025.

You don't have to wait until you're accepted to college or university to apply for FANS funding. You can submit your application now and send your program acceptance letter to the FANS office once you receive it. Your application can begin to be processed, but a final decision will only be made after all the required supporting documentation (including your acceptance letter) are received by the FANS office.

Late applications will be accepted until August 15, 2025; however, your funding application may not be processed before your program begins. To help ensure your funding is processed on time, apply by the July 15 deadline.

For more information or to receive an application form, visit the [FANS webpage](#) or email the FANS office at:
