Family Violence Prevention Month

Start Date: November 18, 2025
End Date: November 30, 2025
Nunavut-wide **45 sec**

November is Family Violence Prevention Month. The Department of Family Services and Qulliit Nunavut Status of Women Council encourage all Nunavummiut to take some time to reflect on how we can help prevent family violence in our homes and communities.

Family violence rates in Nunavut are twelve times higher than the national average. We all have a role to play in fostering safe, respectful and caring relationships. Let's stand together to put an end to violence in our families, our communities and our territory.

If you or someone you know is experiencing abuse, please reach out. Contact your local Family Services office, trusted community members or RCMP detachment. For more information on victim support services, emergency contacts and other resources, visit Family Safety Initiatives on the Government of Nunavut website.
