**Start Date: November 14, 2025**
**End Date: December 5, 2025**
**Nunavut-wide** **60 sec**

The *Ophthalmic Medical Assistants Act* mandates the Ophthalmic Medical Assistants Committee to review and make recommendations regarding applications for the registration of ophthalmic assistants, ophthalmic technicians, and ophthalmic technologists in Nunavut.

The Department of Health is seeking members for the committee, specifically:

Applicants should have a strong interest in the regulatory process and should be prepared to be called as necessary to review applications through a teleconference meeting, which may occur several times a year. Experience in a health-related field would be an asset.

An honorarium is paid as per Directive 810, GN Financial Administration Manual.

If you are interested in this opportunity, submit your resume and a letter of interest to Barbara Harvey at bharvey@gov.nu.ca or by fax at 867-982-3256 by December 5, 2025.
