Nunavut celebrates Mining Week

Start Date: October 10, 2025
End Date: October 17, 2025
Nunavut-wide **40 sec**

The Government of Nunavut (GN) in collaboration with Northwest Territories (NWT)/Nunavut Chamber of Mines, Agnico Eagle Mines (AEM), Baffinland and Canada-Nunavut Geoscience Office (CNGO) is celebrating Nunavut Mining Week from October 13 to 17, 2025.

For this year's celebration, we are hosting a series of virtual contests designed to encourage learning, creativity, awareness and appreciation for mining across all age groups from grades K-12, youth and adults. Women in mining and earth inspired arts & crafts will also be featured in this year's celebration.

Great prizes will be awarded to winners for each category including Apple iPad and Airpods!

There are currently four active mines that plan to operate for 15 or more years. Did you know that mining is the largest private sector employer in Nunavut and provides over 40% of the territory's GDP?
