Early Childhood Educator Appreciation Day

Start Date: **October 27, 2025**
End Date: **October 28, 2025**
Nunavut-wide **60 sec**

On October 28, the Department of Education is celebrating the second annual Early Childhood Educator Appreciation Day in Nunavut. This territorial day of appreciation occurs each year on the last Tuesday in October.

Early childhood educators working in licensed childcare centres and licensed family day homes are essential to Nunavut's economic prosperity and community well-being. These educators provide safe, caring, and inclusive spaces where children begin their learning journeys and foundational values take root.

Through their guidance during this crucial stage of development, early childhood educators nurture children's growth, curiosity, and sense of belonging. They empower families to pursue work or education and help shape our future by supporting the development of capable, compassionate individuals who are grounded in Inuit values and the spirit of Inunnguiniq.

Join us in recognizing the positive impact early childhood educators have on Nunavut's children, families, and communities.

Interested in joining this vital profession or enrolling your child in a centre? For more information, please visit the Department of Education webpage.
