Start Date: **October 27, 2025**
End Date: **October 31, 2025**
Nunavut-wide **90 sec**

Each October, communities across Canada recognize *Disability Employment Awareness Month*. This month engages, educates, and raises awareness about inclusive employment while promoting and celebrating the contributions of persons with disabilities. It also highlights the importance of physically accessible environments, equal opportunities, and the protection of rights for people with disabilities.

In 2024, the Government of Nunavut declared October as Disability Employment Awareness Month to reaffirm its commitment to inclusive workplaces and employment equity. This observance continues to represent an important step toward fostering inclusive communities and supporting individuals to realize their full potential.

Through partnership with the Nunavummi Disabilities Makinnasuaqtiit Society, the Department of Family Services remains committed to advancing the full participation of individuals with disabilities in all aspects of life.
