Iqaluit Public Health begins offering walk-in Flu and COVID-19 vaccines

Start Date: October 17, 2025
End Date: November 15, 2025
Iqaluit, Nunavut **60 sec**

Winter is all about layers and the Department of Health is encouraging Nunavummiut to layer up with vaccinations! Protect yourself, your family and your community from influenza and Covid-19 by getting your vaccines.

Starting October 20, 2025, Iqaluit Public Health (located at Building 1091 near the old airport terminal) will be holding a walk-in clinic offering flu and Covid-19 vaccines for all eligible Nunavummiut aged six months and older.

These vaccines provide crucial protection for you and your family during the colder months. Keeping your immunizations up to date is one of the best ways to protect yourself, your family and the community from serious illnesses.

Weekday walk-in vaccines will be available until November 14, 2025, Monday to Friday from 8:30 to 11:30 a.m. and 1:00 to 4:30 p.m.

Weekend vaccines will be available Saturdays from 10 a.m. to 2 p.m. until November 15, 2025.

After November 15, flu and COVID-19 vaccines will continue to be available for walk-ins every Friday from 8:30 to 11:30 a.m. and 1:00 to 4:30 p.m. at Iqaluit Public Health.

Protection comes in layers. This winter, layer up and get vaccinated! For more information, visit the Government of Nunavut website.
