No expected increase to fuel prices

Start Date: September 12, 2025
End Date: October 7, 2025

The Department of Transportation and Infrastructure Nunavut's Petroleum Products Division is expecting retail fuel prices to hold through the remainder of the 2025-26 fiscal year, with no increase.

The price of fuel products in Nunavut remains competitive with many jurisdictions in southern Canada.

The division will continue to monitor retail fuel prices and will reassess in the new year.

The current fuel price list is attached.
