

Public Service Announcement

Earth Day – Join in the fun!

Start Date: April 24, 2025

End Date: April 25, 2025

Nunavut-wide

45 sec

April 22 is Earth Day, a global movement to support environmental protection and climate action.

This year's theme is Our Power, Our Planet, serving as a reminder of the importance of protecting the air, land, water, and wildlife for future generations. Simple actions like spending time in nature, reducing waste, and raising awareness can make a meaningful difference.

To celebrate Earth Day 2026, the Department of Environment invites all Nunavummiut to participate in a fun photo challenge. Show your love for the planet by taking a photo outdoors while holding a “Happy Earth Day” sign.

Submit your entry by posting your photo on social media or by emailing it to environmentcontests@gov.nu.ca from April 22nd to April 27th.

For more information and to learn about local events visit the [Nunavut Climate Change Secretariat's website](#). Join in the fun, celebrate Earth Day, and the chance to win a prize!
