Call for proposals - Independent Science Program for Youth (I-SPY)

Start Date: February 16, 2026
End Date: March 31, 2026
Nunavut-wide 60 sec

The Department of Community Services is inviting not-for-profit organizations to apply for funding to develop and deliver science-based, extracurricular programs for Nunavut youth.

The Independent Science Program for Youth (I-SPY) fund supports programs that inspire young people to explore science through hands-on learning and real-world experiences that reflect life in Nunavut.

Funded initiatives should aim to:

- Engage Nunavut youth to participate in engaging, hands-on science activities.
- Spark curiosity and interest in science and learning.
- Promote future opportunities and careers in science, technology, engineering and math (STEM).
- Showcase science research and projects that are relevant to Nunavut communities.

The application deadline is Tuesday, March 31, 2026.

For more information and to download the application guide and form, please visit the Government of Nunavut website, email miningengagement@gov.nu.ca or phone 867-857-3167.
