The Department of Finance wants Nunavummiut to be aware of recent changes to federal tax filing.

The Government of Canada has announced planned enhancements to automatic tax filing as part of Budget 2025.

For the 2026 tax season (filing 2025 tax returns), the Canada Revenue Agency (CRA) will continue to focus on its SimpleFile services.

Additional automatic tax filing measures are planned as follows:

- Deemed filing – expected Fall 2026 (pending Royal Assent)
- Pre-filled tax return in CRA My Account – expected March 2027

Visit the CRA website for more information about these services and to determine what options may be available to you.
