End Date: January 27, 2026
Iqaluit, Nunavut **30 sec**

Nunavut Emergency Management (NEM) advises Iqaluit residents that NorthwesTel has scheduled overnight phone maintenance from January 26-27, which may temporarily affect telephone service for approximately 2-3 hours.

Nunavummiut should continue to contact NEM by calling 1-800-693-1666 to request assistance related to search and rescue, the fire marshal's office or civil emergencies.

If residents are unable to reach the NEM duty line, please contact your local RCMP detachment.

NEM remains available to support emergency co-ordination as needed.
