Nunavut health cards

Start Date: **March 20, 2026**
End Date: **April 30, 2026**
Nunavut-wide **90 secs**

All Nunavut residents must apply for and maintain a Nunavut health card. When residents access health care in Nunavut without a Nunavut health card, this presents challenges for billing and processing. It also creates additional strain within the territory, as in some cases patients may be billed directly. Outside of Nunavut, this issue becomes even more serious, as many medical service providers will ask for payment upfront for medical services without a valid health card. Apply today:

1. Download the application form for Nunavut health-care coverage.

2. Print and complete the application (instructions on the back of the form).

3. Submit your application with clear copies of all required documents to nhip@gov.nu.ca.

You may also mail your application to:

Department of Health
Health Insurance Programs
Government of Nunavut
Attention: Health Care Registrations
Box 889
Rankin Inlet, NU X0C 0G0

Application forms are available at all community health centres in Nunavut, and at the Qikiqtani General Hospital in Iqaluit, and at the health insurance programs office in Rankin Inlet. Forms can also be found online at the Government of Nunavut website.
