Financial Assistance for Nunavut Students survey

Start Date: May 27, 2026

End Date: June 12, 2026

Nunavut-wide

60 sec

The Department of Education is inviting Financial Assistance for Nunavut Students (FANS) recipients and the general public to take a survey about recent changes to the program.

These changes are aimed at promoting student success by improving financial assistance and expanding student support services across all areas of need.

This survey will be conducted from May 27 to June 12, 2026, and your feedback is essential to helping us understand how the changes are being received, what challenges students continue to face, and where further improvements can be made.

Whether you are a current student, a future student, or someone who has considered post-secondary education, your perspectives will help shape the future of student support programs in Nunavut.

The survey should take approximately 5 to 10 minutes to complete. Your responses will be kept confidential and used only to inform program improvements.

At the end of the survey, you will also have an opportunity to suggest a new name for the program and enter for a chance to win a laptop.

We appreciate your time and valuable input in helping us build a stronger, more supportive program for Nunavut students.

The survey is available on the [Government of Nunavut website](#) in all official languages.
