French-speaker satisfaction survey

Start Date: September 1, 2026

End Date: September 18, 2026

Nunavut-wide

90 sec

As part of its accountability obligations to its federal partner, under the *Canada-Nunavut Agreement on French-Language Services 2024-2025 to 2027-2028*, the Government of Nunavut has committed to measuring the satisfaction of francophones and francophiles in Nunavut with respect to the French-language communications and services it offers to the public.

The Department of Culture and Heritage has commissioned PGF consultants (PGF) to conduct this survey.

Members of the public are invited to complete a short survey (7 to 10 minutes) to share their experience and level of satisfaction. Participation will play an important role in informing how French-language communications and services can be improved.

The survey is available until September 18, 2026, through the following link: [Sondage sur la satisfaction des services en français](#) | 1/11

Participation is voluntary and responses will remain confidential. Results will be independently analyzed by PGF and compiled into a report presented to the Government of Nunavut, with no possibility of identifying individual participants.

For any questions or technical difficulties, please email amyette@pgf.ca.

Thank you in advance for your participation.
